

A Toast To Women

She is an inspiration.

She is dignity.

She is courage.

She is strength.

She can teach by her wisdom

And lead by her grace.

She is a warrior.

She is a goddess.

She is everything in between.

She is laughter.

She is vibrant.

She always radiates life.

She is real.

She is tenderness.

She is hope.

She is a wife, a mother,

a grandmother, a daughter,

an aunt, a sister, a best friend.

She is beautiful.

She is amazing.

She is you.
